

KPKT LOAN MANAGEMENT SYSTEM

TrueKredit™

Run your entire lending book from one platform.

The loan management system built for Malaysian KPKT-licensed money lenders. Borrowers, schedules, repayments and KPKT paperwork — one system your whole branch trusts, hosted on your own secure cloud in Malaysia.

- ✓ One source of truth — origination to final settlement
- ✓ Audit-ready every day — Lampiran A & iDeaL exports on demand
- ✓ Your data stays with you — never mixed with other lenders

Your cloud, kept in Malaysia — data residency & daily backups

Grow without starting over — upgrade to Pro on the same book

CORE PLATFORM · STANDARD

Everything your branch needs, end to end

**Full loan book, one view**

From first enquiry to final settlement — your team works the same live file.

**Rich borrower profiles**

Work, family, commitments, guarantors and documents in one complete file.

**Applications & approvals**

Counter intake, field visits, director packs and affordability risk scoring.

**Automatic documents**

Agreements, receipts, arrears and default notices — generated and emailed.

**Schedules & repayments**

Sen-accurate schedules, payment slips, early settlement and arrears handling.

**KPKT-ready & audited**

Lampiran A, iDeaL exports, role-based access and a tamper-resistant audit trail.

AT THE BRANCH

Your team works from one live file.

Counter officers, credit and collections share the same borrower record, schedules and audit trail — no more chasing folders.

OUR ECOSYSTEM

Free integrations included

Pre-wired, with no fee to connect. You only pay for each check you run.

FIRST-PARTY

TrueIdentity™ e-KYC

MyKad scan, selfie and face match — saved to the borrower file.

TrueSSM™ lookups

Company, director and shareholder details pulled into the application.

CTOS credit reports

Credit information beside the application, so credit decides on the full picture.

FIRST-PARTY

Truesend™ delivery

Receipts, reminders and letters emailed automatically from the loan file.

Gkash payments

Collect and reconcile online repayments through the payment gateway.

SOON

TrueSight™ AI scoring

Extra risk insight on top of your checks — spot weaker files earlier.
